

Top-Off Tank Kits

Filtration and storage, together

Features

- 13-gallon (49.2 L) high density polyethylene tank
- Marked fill level indicators
- Built-in drain
- Fill and drain ports with your choice of connections
- DC-2 disposable standard breather

Des-Case FlowGuard™ top-off tank kits make filtration and storage easier, reducing contamination and the time it takes to get the job done.

Top-off tank kits can be ordered with or without filter carts. Call Des-Case at (615) 672-8800 to find out if your existing filter cart is compatible.

*Keeping contamination
under control.®*

How to order the FlowGuard™ Top-Off Tank:

Select the desired symbol (in the correct position) to construct a model code. Then contact your local distributor or call Des-Case if you don't see the options you need or would like additional assistance.
